Patrick and his team were super helpful in making the home buying process go as smooth as possible. Always quick to reply back to emails and calls. Very knowledgeable team who worked with me to get me the best financing options for my new home. They always stayed on top of things and kept in contact with me with updates about paperwork and approvals. Very appreciative for everything they helped me with.

CANDICE E.

I want to thank Team Lewis for the awesome job they did helping my husband and I with purchasing our home. The entire team helped us gather all the necessary paperwork. They walked us through each step of the loan process. They were so nice, caring and helpful. We definitely recommend Team Lewis. They have a great relationship with a local realtor and their team work is phenomenal. Go Team Lewis!

AMY K. - REALTOR

I love my work as a Realtor! Helping first-time home buyers and buyers who haven't purchased a home in 3+ years are a couple of my specialties. One of the most critical factors to ensure clients have a positive home buying experience with top-notch service is referring them to the right lender. I have had nothing but the best experience with Team Lewis Mortgage. The main reason I like to work with Team Lewis is that they provide a high level of communication with my clients throughout the transaction. They work closely with them to determine the best mortgage loan for their individual situation and then continue to educate them (and hold their hand if needed) through the process. There are very few surprises which, as we all know, is ideal to ensure a smooth real estate transaction. Team Lewis makes me look good. :) Team Lewis Rocks!

ROBERT O.

You and your team have been fantastic! We had some credit issues to iron out and your expertise and advise helped us navigate through those issues and obtain the home of our dreams in less than 6 months. We can't thank you and your team enough for all the great service and the stress-free experience! Thanks!

JUAN P M.

Through the whole process Patrick was very knowledgeable and every expectation that we had was met through. It was an excellent job. Overall great experience.

ARIEL V.

On behalf of Real Estate by Vargas, I would like to say thank you. Thank you for your treatment of my clients, thank you for never giving up, thank you for staying at the office after hours and taking time away from your family and thank you for being an outstanding loan officer! I truly believe that you are the sole reason my clients get first class service. Patrick is much faster and efficient than the big banks. Also, if you get pre-approved with Patrick, you can consider your deal done!

LISA H. - REALTOR

Patrick and his team are fabulous to work with! As a Real Estate Professional for over 30 years, I know how important the Loan Process is to a successful transaction. I send all my buyers to Patrick and his Team because I know, without a doubt, he will take care of my clients. The best part about working with them is they communicate efficiently and with the utmost professionalism. They are aware that the loan process can be confusing, and they always keep me and my buyers informed throughout each step of the process. We always end up with a seamless and successful closing thanks to Patrick and his team, and it is always a pleasure to work with them!

JUDITH P.

As a first time homebuyer, I needed guidance and patience to get through the mortgage process. Patrick was very helpful; he took the time to answer all of my questions and explain the process. With the assistance of Patrick and his staff, I was able to close on my new home without experiencing the pains and headaches that other people go through. Thank you.

SHAQUANA M.

I just really wanted to say Thank You for helping me get my dream home! It's my first house and it's everything I could ever want. The mortgage is manageable and fits my budget. Thank you for being patient with me and answering all of my questions. You are awesome!

BARRY G.

I am writing this note because I had the most professional and great experience by having been lucky enough to have Patrick Lewis process my loan applications for the two new houses that I just purchased in April. Patrick walked me through every single part of this process with patience, empathy and absolute clarity as to what was needed. Throughout this entire process on two new houses, Patrick always was completely knowledgeable of each and every part of the process and assisted with the tremendous patience and understanding of my emotions of going through this process. When I encountered any difficulties or was unsure of what information and documentation was needed, Patrick would always help me through with answering all my questions. No matter how many times I called, he always displayed a tremendous amount of empathy and always kept me calm and reassured and always, always solved all potential problems and maintained his professionalism and friendly disposition. Of utmost importance, Patrick always got each and every job done and straightened out any potential difficulty. He made this entire process manageable, and kept my buying experience a pleasant one. He has the ability to not only keep calm under pressure, but to also make me calm and relaxed and secure in the fact that he will and did take care of everything. Some people talk a good game, but don't deliver when you need them. Patrick was always absolutely honest with me and always came through with everything he said he would do. I couldn't possibly have asked for more, and I would very highly recommend him.

EBONY D.

I had such a great experience being a first time home buyer working with this group. They were very professional and friendly. They had no problem answering any questions every step of the way. Together they stayed right on task making sure I had everything I needed to purchase my first home. Thanks to this wonderful group I will be signing today!

SHANNA K.

My husband and I recently worked with Patrick Lewis. Patrick was efficient, professional, and knowledgeable in all aspects. We were very concerned about obtaining financing with a short sale on our record. Patrick was quick to start helping us through the process, answering countless questions and always returning phone calls and emails in a timely manner. While this was not our first home buying experience, it was by far the best. We thank Patrick and his team for all of their hard work and dedication and for making our dream a reality. We would highly recommend Patrick if you are in need of a mortgage loan.

YERILIN L.

Patrick working with you was great, you were always helpful whenever we needed assistance and made the process quicker and easier than imagine. I will definitely recommend your services.

MICHAEL Z.

I worked with Patrick through my loan closing. Patrick was great to work with. He responded to emails fast, got you the information you needed and did a great job of explaining the entire process to us. He was very cordial and made an attempt to always make you feel at ease, as buying a house and getting approved for a loan can be a very stressful experience.

SHEILA B.

I can't say enough wonderful things about Patrick and his amazing team - especially Debbie & Ellen - who walked us through every step of our recent mortgage approval. It had been 25 years since we bought a home and the process is VERY different. And complex. The gals held my hand through it and we were able to close on Sept 30th - only about 4 weeks from starting the whole process. They are professional, efficient and so friendly. It made it a relatively painless process. Patrick assured me from the beginning it would be this way and he was right! Thank you all SO much!

JOHN K.

Patrick and his team gave us a chance when no one else would. They got us approved and got my family into a home and in an area we really love and will be there for years to come. Patrick was patient, understanding and took the time to explain the whole process. I would like to thank Patrick and his team for the time and work they put into getting us approved for our home.

NATASHA F.

Working with Patrick Lewis and his team was the best decision we ever made. We has tried a few other Loan Officers but they did not give us the customized options we needed to make purchasing our first home a reality. We credit him for picking the right type of loan for our unique situation. We also benefited from his real-time efficiency. Once we turned in whatever paperwork he requested, he was thorough and quick about processing it. Patrick also followed through on the loan amour and what we were told to bring to the closing. He found us savings and credits that truly benefited us. We are truly grateful for his professional and friendly service.

CARLOS T.

Patrick and his staff were phenomenal in assisting us with our home loan. They made our first home purchase experience simple and we are now overjoyed with our new home. Thank you Patrick!

INELISE & FRANCISO O.

I am extremely pleased with the outstanding work Debbie and Pat have done. They have been side by side with us throughout this process. I especially want to thank Debbie for her special attention to every detail. She emailed me promptly and explained things in a manner I could understand. She was very knowledgeable, patient, and assured me all was to be fine. I will definitely recommend them to my family and friends. I thank you for all your great work and for making this a good experience for all of us.

RAQUEL A.

We were extremely pleased with the service we received from Patrick and his team. Our situation was not an easy one, there were some obstacles but we were guided promptly and assisted in every way to get the loan processed and to closing. Thank you Patrick!

LAURIE M. - CREEGAN PROPERTY GROUP

Yes, it is true! Patrick and his team provide ultra-professional service, constant communication, and creative ways to make buyers qualify for financing that maybe wouldn't otherwise. They streamline a clear path to the closing table every single time. It is a pleasure to work with them. Yes, Team Lewis Rocks!

FRANCKEL C.

I would like to thank each of you in this great team who worked hard to help me to reach my goal and become a homeowner. I want you know how I appreciate your hard work and all you have done and how I am proud of your team. Again a special thank you and Debbie.

ERNESTO R.

Patrick was so helpful throughout the whole process. Me being a first time home buyer, I was very nervous and had no knowledge about a mortgage. Patrick made the whole process easy for me. We sat down in his office and explained everything to me. If I had a question or a doubt, I could call him at any time. Even on the weekend. He was always there to help me. His staff was also so kind and helpful in assisting me in anything I needed. He is highly recommended.

DAVIDSON M.

It was a pleasure working with Patrick and his team. They were great at explaining to me all that needed to be done to get financed and moving along quickly to get it done. It was the best loan experience that I have ever had and I highly recommend Mr Lewis and his team to anyone.

JASON K.

Patrick and his team did a wonderful job helping us through the loan process. From the time we met him, he was very friendly and really took the time to explain our options even before the loan process started. After the loan process started, Patrick and Debbie were excellent communicators and were very “on the ball” every step of the way. Any time we had a question, it was answered quickly and thoroughly. Thanks to Pat and his team, my wife and I have a great new home and better financial freedom.

THELMA L.

I was introduced to Pat while going through a very complicated loan application. Although he had a team of experienced staff members, he was readily available throughout the process; there wasn't a question he couldn't answer. He has the ability to anticipate information that would be useful if shared and delivers the information in a way that is easy to understand. I will work with Pat on any future lending opportunities.

FRANCY M.

I really appreciated working with Patrick and his team. He was very knowledgeable and patient with the process. He was very consistent with keeping up with each step which helped ease my mind immensely. I would recommend his services to anyone who is looking for an excellent lending company. Also, at the closing, I received a very nice notebook/portfolio with all papers that were involved with the loan process.

JOHN THOMAS C.

We both agree that we received better customer service from you than any other person or company that we have ever dealt with. You treated us like family. Knowing the time constraints we were under, due to our lease not being honored, we know you went above and beyond. Having received phone calls from you both during business hours and after, we know you put in long hours on our behalf. We were particularly appreciative of the fact the you worked on our loan application even on your family vacation. I'm not sure that even a family member would do that! On a scale from 1 to 10, you definitely get an 11! You were always prompt in returning emails and phone calls. You did a great job explaining the loan process and what was needed to get approved. You got us a great rate. You gave us sound advice with regards to lowering our current car payments! If our testimony seems to good to be true, you earned it! Thank you for everything you did to help our family.

DOREENE

I have to say that is was a pleasure dealing with you and your team. Everyone that was involved was on top of everything and was very efficient in their work. I was always e-mailed what was going on and contacted immediately when something was needed to move to the next step of the process. Your team was professional and very pleasant.

Pat and his team are amazing to work with. I am a Realtor and send a lot of people to him for financing. He is knowledgeable and thorough. He is always available when I need him and works extremely hard to make things happen. I am informed through the entire process and feel like we are a team when he is working with one of my clients. Most of all Pat really cares. Thank you Team Lewis.

I cannot express my gratitude enough to Patrick Lewis and his team for all of their help and hard work on my first buyer's closing. They made it happen in an unbelievable short time, got my buyer a ridiculously low monthly mortgage that she you could not stop smiling about, along with helping her with down payment assistance. They made this transaction as smooth as it could possibly have been and myself and my buyer could not be happier. I will be referring many more clients to the Patrick Lewis Team because I know they will get the job done! I loved the video emails you receive with every step of the process making it simple to understand! Again thank you for all of your help!!

MIRELA R.

I appreciate all the work and professionalism from you and your team. You went above and beyond communicating with the seller, and myself, the numbers of the contract. Without this extra effort the sale may not have gone through. You were able to promptly find me a loan and lock in a great interest rate. Closing went ahead of schedule and very smoothly, all attributed to the efforts of you and your associates.

ANN MARIE S.

Thanks again for all the help through the loan process. You and your team made it so easy. And we appreciate all the great communication along the way. We love our home!
